CORPORATE HR CIRCULAR NO: 429/2018

Subject : Introduction of new provisions in Medical Rules.

1.0 The medical rules of POWERGRID were reviewed and it has been decided to introduce following new provisions:

- a) **Reimbursement of Physiotherapy treatment availed from non-empanelled hospitals/ registered private physiotherapy practitioner.**
Reimbursement of expenditure incurred towards Physiotherapy treatment availed from non-empanelled hospital/ registered private physiotherapy practitioner shall be restricted to rates of Holy Family Hospital, New Delhi or the claimed amount whichever is lower, subject to following conditions:
 - (i) Treatment has been prescribed by registered orthopaedic practitioner.
 - (ii) Treatment shall be permissible for maximum period of 02 weeks. In the event of treatment exceeding the specified period, then such cases shall be referred to Medical Relaxation Committee who after examination of case shall put-up its recommendations to Competent Authority whose decision shall be final and binding.
 - (iii) Reimbursement shall be restricted depending upon classification of cities i.e 100% of Holy Family Hospital Rates in case the treatment availed in X class cities, 80% of Holy Family Hospital Rates in case the treatment availed in Y class cities & 60% of Holy Family Hospital Rates in case the treatment availed in Z class cities.

Note : Reimbursement for physiotherapy treatment availed at residence shall not be permissible. However, in special circumstances such as accident victim etc. where the patient is unable to travel, reimbursement of expenditure incurred towards physiotherapy therapy shall be allowed with the approval of Medical Relaxation Committee.

In case of physiotherapy treatment availed from empanelled hospital, the treatment shall be permissible for maximum period of 01 month. Any extension beyond 01 month shall entail same procedure as mentioned in a) (ii) above.

- b) **Reimbursement of expenditure incurred toward Robotic Surgery.**
Reimbursement of expenditure incurred towards robotic surgery shall be allowed in cases of renal and prostate cancer. In all other cases, relaxation

(2)

shall only be provided on case-to-case basis after review by the Medical Relaxation Committee.

- c) **Coverage of retired employee, spouse and dependant parents under the purview of Company's Preventive Health Check-up Scheme.**
Retired employee, his/her spouse and dependent parent shall be covered under Company's Preventive Health Check-up Scheme subject to following conditions:
- (i) Reimbursement of expenditure incurred towards preventive health check-up shall be allowed once in a year, if desired.
 - (ii) The list of tests shall be same as the one applicable for existing employees of equivalent level (level of concerned ex-employee prior to retirement). List of tests for spouse and dependent parent shall be the same as applicable for spouses of existing employees of equivalent level.
 - (iii) Expenditure incurred towards preventive health check-up shall be booked/ reduced from the annual OPD ceiling limit of retired employee.
 - (iv) The rate of reimbursement shall be restricted to the amount finalized for preventive health check-up for existing employees.
 - (v) Reimbursement of preventive health check-up expenditure for dependent parents shall be allowed only if the parents are residing with the retired employee.
 - (vi) All the terms & conditions of the Rules of POWERGRID Post-Retirement Medical Benefit Trust shall remain unchanged.

2.0 The provisions mentioned at a) & b) above shall also be applicable to "Contributory Scheme for Post-Retirement Medical Facilities to Spouse and Minor Children of deceased employee" and "Rules of POWERGRID Employees Post-Retirement Medical Benefit Trust".
