Subject: System Generation of IPD Letter for admission in empanelled hospitals across POWERGRID.

It is hereby informed that the system generation of authorisation letter for IPD treatment in respect of Ex-employees has been launched and is operational. With the commencement of online system, the ex-employees shall now be able to generate authorisation letter for themselves as well as their dependent family members. The detailed procedure bearing step wise instruction and the associated print screens is enclosed as **Annexure A**.

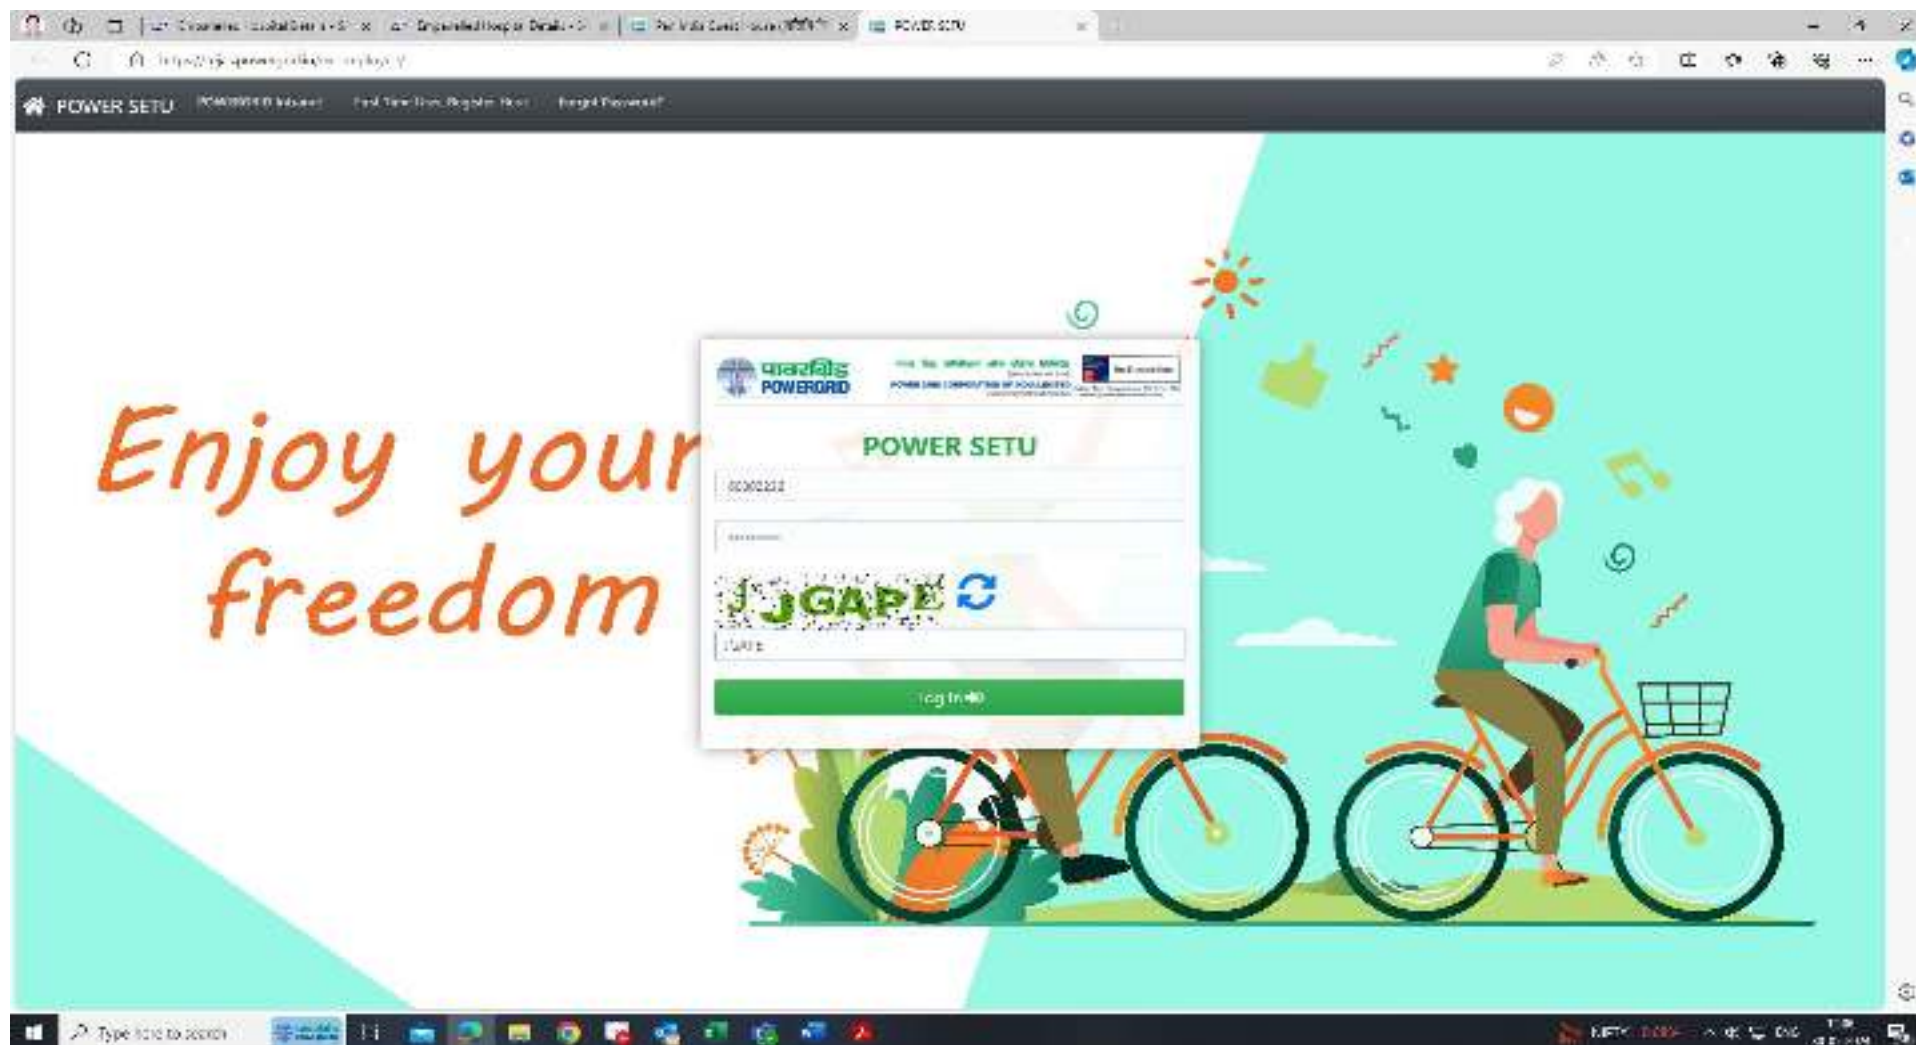

Accordingly, it is requested to self-generate the authorisation letter through POWERSETU Portal, for self as well as dependents for availing IPD facility.

It may further be noted that the generation of authorization letters can only be done provided the photographs of self and dependents are uploaded and approved in the portal. Accordingly, the photographs of self and dependents may be uploaded in "My Medical Dependent Photos" in POWERSETU portal and get it approved by concerned Nodal officers of separation cell of the respective region from where medical facility post-retirement has been opted.

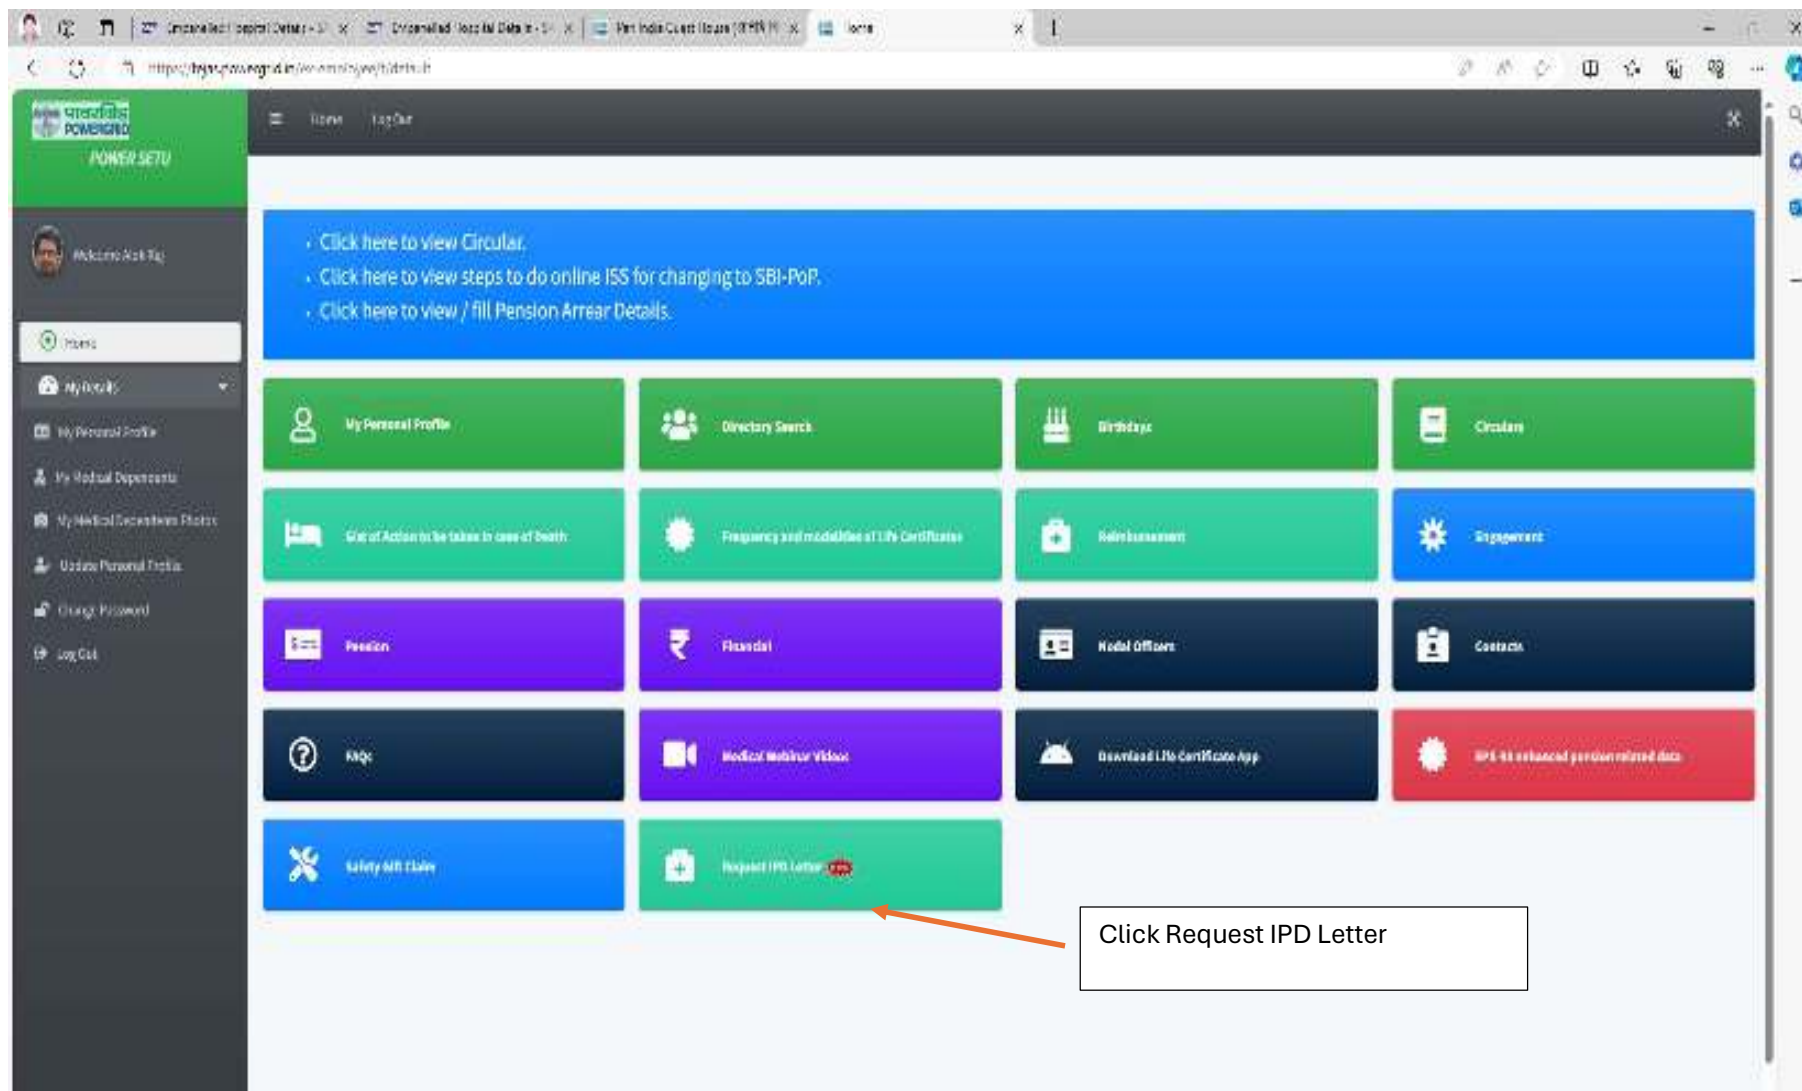

It is reiterated that only after the uploading of photographs and subsequent approval of same, authorization letters for IPD facility shall be generated through the system.
