

MEDICAL ATTENDANCE AND TREATMENT RULES**1.0 Scope**

- 1.1 The POWERGRID Medical Attendance Rules apply to all regular employees, Trainees¹ (for self only), Apprentices (other than Apprentices under the Act), and their families, Deputationists from Government Departments and other organisations are entitled to such additional medical attendance and treatment as is provided in their parent departments and is specified in the terms and conditions of their deputation. Apprentices (under the act) and casual employees (not their families) are entitled only to emergency treatment for injuries sustained during and in the course of their duty or training, as the case may be.
- 1.2 Temporary/Work-charged/daily-rated employees, with over one year of service, will be given free indoor and outdoor treatment in the Company's Hospital for themselves and their families.
- 1.3 Diet charges as per rules will be recovered from the employees in case of indoor treatment of the employees and their families.

2.0 Definitions

- 2.1 **“Authorized Medical Attendant”** (AMA) means the Doctor appointed by the Company who is its own employee or one who is authorised under these Rules to attend on the employees of the Company.

Until such time an Authorised Medical Attendant is appointed or where there is no provision for such an appointment in a place where company's Sub-station/establishment may be located, the controlling officer of the employee concerned will exercise the powers of the Authorised Medical Attendant.

- 2.2 **“Specialist”** under the Allopathic system of medicine means the following:

- i) MBBS with PG Diploma from a recognised Indian University.
- ii) MBBS with PG Degree from a recognised Indian University (i.e. MS/MD etc.);
- iii) MBBS with DM/MCH (after MS/MD which are super speciality qualification); and
- iv) MBBS with UK qualifications as per Medical Council of India's list of recognized qualifications i.e. MRCP/FRCG/MRCOG etc. (appended as Annexure-I).

- 2.3 **“Government Hospital”** includes;
- a military hospital

¹ Circular No. 543/2022 dated 22.08.2022

- a hospital maintained by a local authority
- any other Hospital with which Central/State Government has arrangements for treatment of Government Servants.

Note:

Hospitals run by Railway Administration and other Public Undertakings may be covered under the definition of Government Hospitals. Thus, medical expenses incurred in connection with treatment taken at such hospitals can be reimbursed to the employees under these Rules.

- 2.4 **“Employee”** means whole-time employee of POWERGRID including Deputationists, Trainees, Apprentices (other than Apprentices under the Act) and casual employees on daily rates.
- 2.5 **“Family”** means self, spouse (only one), two surviving children including legally adopted children (below 25 years) and parents subject to members being dependent on the employee. The restriction regarding numbers of children shall not apply in respect of existing employees (as on respective date of 1997 pay revision order) who were availing the facility of Medical Attendance & Treatment for existing numbers of children. However, the restriction of age i.e. 25 years shall apply to all the children except in case of unmarried daughter where the age limit shall be 30 years. Further, the restriction of 25 years of age for dependent children will not be applicable for physically handicapped or mentally retarded children dependent on the employee.²

Note:

1. A parent will be considered as wholly dependent on an employee only if the monthly income of the parent or the combined monthly income of both parents (if both parents are alive) does not exceed ¹Rupees Six Thousand. However, the amount of pension drawn by the parents shall be ignored while computing the above limit of Rupees six thousand.
2. ³The medical benefits to the spouse/ dependent children/ dependent parents of an employee are admissible irrespective of their place of stay in India
3. <Deleted vide Circular No. 516 dated 09.11.2021>
4. For determining the dependency of family members other than parents, the same criteria shall be adopted as is followed by the Central Government for this purpose. In other words, sons/unmarried daughters of the employee who are employed otherwise than on part time/daily rated/casual basis shall be regarded as gainfully employed and accordingly not entitled to medical facilities. Even in the case of

³ Cir 516/2021 dated 09.11.2021

- above family members who are in part time/daily rated/ casual employment, these facilities shall be admissible only if they are otherwise dependent on the employee and their monthly income from such employment is not more than Rupees Six Thousand.
5. The divorced daughter of an employee may be considered to be dependent upon the employee concerned and eligible for medical facilities, if her income from employment and or maintenance allowance granted to her by the Court and payable to her by her erstwhile husband, if any, does not exceed Rs. 1,000/- per month. Decree of divorce from a Court of competent jurisdiction shall be considered as sufficient proof of legal divorce.
 6. Female employees shall have the option to declare their parents-in-law as family members, in lieu of their parents. The condition of dependency, as existing for the parents shall apply. Option exercised by a female employee in this regard may be changed only once during the entire service period.
 7. ⁴If both spouses are working in POWERGRID, both of them are allowed to declare their respective parents as dependents to claim medical facilities under these rules, subject to fulfilment of prescribed terms & conditions.
 8. The parents of a deceased employee shall continue to be treated as dependant of widow of the deceased employee who has got employment in POWERGRID on compassionate grounds. Consequently, the parents of the widow of the deceased employee will not be treated as dependant.
 9. The medical facility will be admissible to the childless employees belonging to Muslims and Christian community in respect of one child only provided the employee has been given the legal guardianship of the child by the competent Court of Law subject to restriction of age as defined above.
- 2.6 **“Medical Attendance”** means attendance in hospital or at the residence of the employee including such pathological, bacteriological, radiological or other methods of examination for the purpose of diagnosis as are available at the Company's hospital or failing that, in any Govt./Notified Hospital/Laboratory or in any private Hospital/ Laboratory and are considered necessary by the A.M.A. and such consultation with a specialist or other Medical Officer/Sr. Medical Officer in-charge certifies to be necessary to such extent and in such manner, within India as the specialist or Medical Officer, may in consultation with CMO/Sr. MO in-charge determine. If the tests are conducted in private hospitals/laboratories, the reimbursement of such expenditure will be made up to the limit of what would have been admissible had the tests been carried out in a Government Hospital/Laboratory. For this purpose, the rates prevalent in the nearest

⁴ IOM dated 16th Oct. 2019

Govt./Notified Hospital will be taken as the criterion. In all matters of doubt, the opinion of the Chief Medical Officer or M.O. in-charge of the Company's hospital will be final.

- 2.7 **"Pay"** for purposes of these Rules will be the amount drawn monthly by an employee as pay which has been sanctioned for the post held by him. It will also include special pay, personal pay or such other emoluments e.g. non-practising allowance for Medical Officers specially classified under the rules as "Pay". In the case of Trainees and Apprentices, pay would mean the actual stipend drawn.
- 2.8 **"Patient"** means POWERGRID employee or a member of his family to whom these Rules apply and such others as are provided for in these Rules and who requires medical attention.
- 2.9 **"Treatment"** means the use of all medical and surgical facilities essential for the recovery or for prevention of deterioration in the condition of the patient.

For treatment of the above categories of outsiders, the following rules shall apply:

11.2 Contractor's Workmen

- a) According to the Workmen's Compensation Act, in the case of a workmen who sustains personal injury by accident arising out of and in the course of employment whilst engaged by contractors for the purposes of carrying out trade or business of the Company, the liability of the Company to compensate the Workman or his dependents, where such liability exists, is the same as in the case of the Company's servants, except that the compensation so paid may be recovered by the Company from the contractor by whom the workman was directly engaged.
- b) It is the responsibility of the contractor, and not of the Company to provide medical aid for his labour. But where due to non-availability of any other doctor in the vicinity, medical aid has to be provided by the Company's Medical Officer, the contractor should submit through the Company's Officer for whom he is working, a written requisition in duplicate stating that he is agreeable to bear the charges for such aid. The Company's Officer will forward one copy of the requisition to the Accounts Officer with a covering letter giving Work order No. and date. He should also certify in all final bills of contractors whether he has countersigned any medical requisition or not. If so, he should furnish full details of such requisitions. The Medical Officer will maintain a record, in duplicate, by carbon process, of all contractors' labour who are either treated in the company hospital or given first aid at the Company hospital and sent on to other hospital. Separate statements should be made out for each contractor and duplicate copies of statements should be sent every month to the Accounts Officer (works) so that the latter can effect recoveries from the Contractors' bills.

- 11.3 Employees of Police, Excise, Postal, Banks, Telephone/Telegraph departments etc., will be entitled to such out-patient treatment on such terms and conditions as are mutually agreed upon between the department and the head of the Sub-station concerned. The facilities to be extended and the charges to be levied under this agreement shall be clearly spelt out. For indoor treatment, charges shall be as given in para 11.5.

- 11.4 Dependents and relatives of the employees; employees of the school, Community Centers, Canteens, Clubs etc. Charges for out-patients facilities to be extended by the Company shall be on the basis of the monthly payment to be decided upon by

the Head of the Sub-station. Charges for indoor treatment will be as indicated in para 11.5.

- 11.5 Charges to be recovered for operation on out-siders will be as notified by the Management from time to time.

12.0 **Medical certificates and private practice**

The Company's Medical Officers will not issue any certificate other than what they are required to do under the company's rules or in the Company's interest. The only exception will be that they may issue certificates for life insurance policies and accept payment for them subject to the relevant rules, but this should not interfere with their work under the Company.

The rate of charges for other cases may be fixed by the Company from time to time, and will be available with the C.M.O.

In the preceding paragraphs, wherever a doctor is permitted to retain a part of the fees, specific mention about it has been made. In all other cases, the fees will be entirely credited to the Company.

13.0 **Interpretation**

If there be any doubt regarding interpretation or application of these Rules, it should be referred to the Chairman, POWERGRID and his decision in the matter will be final.

14.0 **Diet charges**

The Diet Charges per day to be levied in the Company's hospital from the employees, who get in-patient treatment for self and their families in the Company hospital, will be as notified from time to time. Recovery will be made through deduction from the salary.

15.0 **Checklist for medical refund claim**

Before forwarding the medical bills to the Finance & Account Department, it should be seen that:

- a) The claim is submitted within three months from the date of completion of treatment.
- b) The number of medical claims to be preferred by an employee may not exceed two in a calendar month.
- c) The bill is signed by the employee.
- d) The certificate is signed by the Private Medical Practitioner with his qualification and Registration Number.

- e) The receipt given by the Doctor is stamped wherever necessary.
- f) The certificate granted by the Doctor contains name of disease and period of treatment, date of consultation and dates of administration of injection and the nature of injection such as intravenous or intramuscular, as also the name of patient to whom essentiality certificate is issued.
- g) If professional charges for administration of injection are claimed, medicine being supplied from doctor's dispensary; the name, quantity, cost of medicines are also to be furnished in the essentiality certificate. If the injection/medicine is supplied free of cost, the same is specifically certified as such by the private medical practitioner.
- h) The claim for cost of medicines is supported by cash bills from the shops and prescription of the Private Medical Practitioner.
- i) Details of laboratory tests and X-rays are furnished along with the receipts for admitting the corresponding rates in Government/Notified Hospitals.
- j) In the case of employees living in the township, if the treatment is undergone in other than Company's hospital, the employee should be on leave (other than casual leave).
- k) Claims are not admitted when treatment for dental/sterility/mental/veneral diseases is undergone with the private registered medical practitioner.

16.0 Medical treatment to temporary / work charged / daily rated employees

- 16.1 Medical identity card to temporary/workcharged/daily rated employees with more than one year's service will be issued by the HR Department indicating their rate of pay and identity/token number in lieu of staff number for the purpose of maintaining records in the hospital.
- 16.2 The temporary/work-charged/daily-rated employees will apply to the HR Deptt. in the prescribed form for identity cards for treatment of their families, including dependent parents. The applications received through the departmental officers, will be checked for correctness of service particulars and identity cards issued directly to the employees.
- 16.3 As and when they are discharged from service, their identity taken along with the Medical attendance card will be collected by the concerned officers and sent to the HR Deptt. The controlling officers will inform the Chief Medical Officer immediately after their discharge, under intimation to the HR Department.
- 16.4 With regard to the diet-charges, the daily rate will be converted as monthly salary by multiplying it by 25. The diet-charges notified for regular employees in different pay

slabs will be made applicable to this category also after ascertaining the monthly salary of the temporary employee, as indicated above.

17.0 Rules for ambulance service at hospitals

- 17.1 Ambulance service will be provided free of charge to cases eligible for free treatment requiring admission as in-patients only.
- 17.2 Dangerously or seriously ill cases will be given priority for providing ambulance facilities. Employees are requested to indicate, wherever feasible, the nature of illness and its seriousness when requests for ambulance are made. Requests for ambulance will be complied with subject to availability and/or prior bookings and seriousness of cases.
- 17.3 The ambulance will be used only over motorable roads. The use of the ambulance will be normally limited to a radius of 20 kilometers from the Company's hospital.
- 17.4 In case of patients eligible for free treatment other than those requiring admission as in-patients, ambulance service may be provided free of charge if in the opinion of the attending doctor, it is necessary to transport the patient by an ambulance on medical grounds, such as inability to walk on account of fracture in the leg or blindness or very old age or mental illness etc.
- 17.5 If, after arrival at the hospital, the doctor finds that the use of the ambulance was not warranted on any of the grounds mentioned in paras 17.1 and 17.4 above, the ambulance charges will be recovered from the employee.
- 17.6 Ambulance service will not be made available for dropping patients at their homes or at other places after out-patient treatment. They will be required to make their own arrangements for returning from the hospital. However, in exceptional cases, non ambulant patients will be permitted the use of ambulance under instructions from the Chief Medical Officer or the Medical Superintendent or one of the Medical Officers, in the absence of any one of them, this discretion will be used by the attending doctor.
- 17.7 Ambulance service will be provided free of charge to drop the discharged in-patients at their residence within a distance of 20 kilometers, if in the opinion of the doctor of not less than the rank of Medical Officer, the ambulance service is necessary in that case. If the residence is beyond these limits but within 30 kilometers, Chief Medical Officer's permission will be required.
- 17.8 Requests for ambulance to bring paying cases (ERNE cases) who are residing within the township will be complied with, subject to availability of the ambulance. In other cases, the employees will have to make their own arrangements. The only exception will be cases arising out of accidents for which the Chief Medical Officer's approval

- will be required. After arrival at the Hospital, if it is found that incorrect or misleading information has been furnished, in addition to recovering the ambulance charge, disciplinary action may also be taken against the employee.
- 17.9 Use of ambulance for medico-legal cases connected with employees or their dependent eligible for free treatment will be charged for, except when in the opinion of the attending doctor, it is necessary to transport the patient by ambulance on medical grounds.
- 17.10 In cases of accidents while on duty, ambulance will be provided free of charge.
- 17.11 The user of the ambulance will ensure that:
- a) For in-coming cases, the Doctor or the Nurse of the Maternity Ward or the Casualty, certifies the use of the ambulance as free or paid, and
 - b) For out-going cases an ambulance slip issued by the doctor treating the case should be obtained and presented to the casualty nurse.
- 17.12 When a patient eligible for free treatment is referred to the Government Headquarters Hospital, ambulance will be provided only if a doctor of not less than the rank of a Medical Officer certifies that it is not safe for the patient to travel by any other transport.
- 17.13 All cases brought by ambulance should present themselves at the casualty room and not at the out-patient department (except in cases of confinement where the patient will be taken directly to the Maternity Ward) and then directed to the Medical Officer in the out-patient department after registering their names in the ambulance register.
- Likewise, all patients to be dropped should present themselves at the casualty room with the necessary authorisation of the Medical Officer for registration before getting into the ambulance. In all paying cases, the Casualty Nurse of the Receptionist/Nurse will record "TO PAY" in the Ambulance Register and in the Ambulance Trip Sheet.
- 17.14 The charges for ambulance trip will be as fixed by the Management from time to time.
- 17.15 The ambulance will be used for transporting dead bodies.
- 17.16 Any matter regarding the use of the ambulance not covered by these Rules will be referred to the General Manager.
- 18.0 **Employees sent abroad for training / short-term assignment.**

Medical facilities appropriate to the status of the employee(s) will be provided subject to the clearance by Reserve Bank of India/Government for Foreign Exchange.

 - (d) The reimbursement will be made within the ceiling limit fixed for such appliances beyond which the beneficiary will bear the cost
- (v). For admissibility of reimbursement, the appliances need to be prescribed by a Professor/Senior Specialist or Specialist of equivalent rank working in any Govt. hospitals in the specialties of Physical Medicine and Rehabilitation (PMR) or Orthopaedic surgery. The prescription should be in generic name and not by proprietary name.
- (vi). Prosthetic components and Orthotic joints used in appliances should have BIS/CE (European) Certification for the purposes of reimbursement and fabricated by firms having qualified Prothesist/Orthotists.
- (vii). Keeping in view, the physical growth into consideration, individuals upto 12 years of age will be considered as children for the purpose of these guidelines in general. However, in order to rationalize the rates for some of the items, specific age group has been mentioned against the individual items in Annexure-I and Annexure-II, based on the size of the appliances.
- (viii). There may be certain items which are not included in Annexure, but may be prescribed by qualified Government Rehabilitation Specialist/Orthopaedic Surgeon, (not below the level of Consultants), depending on individual disabled patient's requirements for example disability car gadgets. In such cases, items costing below Rs.50,000/- can be purchased with three quotations as per prescribed specifications with the permission of HOD of the concerned departments. For items costing above Rs. 50,000/- prior permission will have to be obtained from Additional Directors, CGHS of the concerned city or concerned DDG in the Dte.GHS looking after CS(MA) Rules, on the basis of three quotations and approval of Technical Standing Committee.

- (ix). The artificial appliances should be procured from any Government Undertaking/ Authorised Alimco dealers, N.G.Os approved by Ministry of Health & Family Welfare/and private manufactures. It should be certified by the prescribing Government Orthopaedic Surgeon/Government Rehabilitation Specialists (PMR) to the effect that the appliances are as per Specification and working satisfactorily.
- (x). The list of items and rates will be revised every 5 years.
- (xi). Reimbursement of items in the enclosed list will be made by HODs of the departments and CGHS in case of Pensioner CGHS beneficiaries, etc.
4. This OM supersedes all earlier orders issued from time to time under CGHS/CS (MA) Rules, 1944 on the subject for allowing reimbursement in respect of artificial appliances for CGHS/CS(MA) beneficiaries.
5. This OM will come into effect from the date of issue and will be valid till revision of the rates after five years.
6. This issues with the approval of Secretary (H&FW) and concurrence of Integrated Finance Division.
